Grade 1 Vinyl Options Below:

STRATFORD Color and color coordination are the key elements of value in the Stratford pattern from Naugahyde®. Stratford has been designed with versatility in mind and will work well with the many mediums of design currently available in the carpet, wallcovering and laminate industries. Designers, specifiers, and consumers are looking to expand the use of coordinated color, and Stratford represents an opportunity to do so in a beautifully rich palette. Use one color or mix and match any of Stratford's thirty-three rich tones to create your own desired effect in room settings or outdoor and marine environments.

Advanced BeautyGard® protective top coat finish is produced from environmentally friendly materials and processes and is technically formulated to achieve the highest performance standards.

**Please call (478) 320-2502 to request free samples of our vinyl choices and/or laminates.**

## Grade 2 Vinyl Options below:

### Naugahyde-Rogue II

Rogue II represents a new generation of color from Naugahyde®. The Rogue II style is one of the most popular looks in America and provides the consumer or specifier with an exciting array of color from which to choose.

Rogue II can be selected with confidence to satisfy your cover requirements.

Advanced BeautyGard® protective top coat finish is produced from environmentally friendly materials and processes and is technically formulated to achieve the highest performance standards.
